countries

OUR MISSION

WORM's primary mission is to **reduce the environmental impact of humanitarian operations** by designing guidelines and support actions for **circular economy**.

WORM will tackle the **waste management challenges** for **greening the humanitarian sector** thanks to a collaborative and **multi-actor approach**.

TWO SELECTED SETTINGS

FIELD HOSPITAL DEPLOYMENTS

HUMANITARIAN LIVELIHOOD PROGRAMMES WITH A WASTE PICKING COMPONENT

OUR OBJECTIVES

WORM will achieve five main objectives:

- To identify and integrate **bio-based solutions** in the humanitarian context for waste treatment;
- To use the full potential of **sustainable procurement** as a gatekeeper for waste avoidance and gateway for innovative solutions implementation;
- To propose safer and more environmentally responsible **waste treatment methods**;
- To enhance local **awareness** of improved waste management through targeted and community-based campaigns;
- To provide **guidelines and policy recommendations** for reducing the environmental impact and maximizing the socio-economic effects of humanitarian operations.
